Dear Sir,

In continuation of my letter No. R.O.C.1005-Judl 1917-18 dated the 27th February 1918, I beg to say that the applicant Mr. Venkata Ramana Sastri, Editor of Kadambini Sangraha, saw me to-day. He is a young man of about 30 years of age who originally belonged to Chamarajnagar where he was bringing out this magazine (Kadambi Sangraha) for a year. He came to Mysore in the year 1913 and has been staying here publishing this magazine and writing various books. He has very little knowledge of English, but he appears to be a fairly good Kanarese and Sanskrit scholar. He is at present a Kannada Pandit in the Marimallappa's High School and gets a salary of Rs 15 per mensem. He tells me that he has published about 15 works in Kanarese and that these generally find a place in Public Libraries and several of these have been declared suitable for prize books in the Education department. A work of his named 'Kshatra Theja' which is a translation of a Bengalee Work is said to have been prescribed as a Kanarese Text for the Intermediate Examination of this year of the Madras University. The gentleman further told me that from next month he intends to ~~leave~~ give up his appointment in the Marimallappa's High School and go back to Chamarajnagar. His idea is to have this magazine printed here and published from Chamarajnagar. I do not think there is any objection to the permission applied for by him being granted.

Yours sincerely,
